Benefits

If you are a successful recruitment consultant then Flowtec is keen to speak with you.

We know what makes good consultants leave and Flowtec is set up to attract and retain the most talented recruiters and headhunters. We like to understand what excites and motivates our employees to establish goals, reward achievements and benefit their entire lives through working here.

Propel your Career forward

Being employed at Flowtec is more than just having a 'job'. We offer long term career progression, unrivalled internal training and a meritocratic structure, meaning you are guided through your career, and rewarded for your successes.

Our business has been built on three strong values - Professionalism, Integrity, Expertise. Working with us means encompassing these values and embracing our honest, hardworking culture.

Prospects

Flowtec Engineering GmbH is an ambitious, modern and market leading recruitment agency that has grown on family values. You can expect from us:

- No Threshold and No Cap to your Commission Structure – We provide the support and resources to allow you to be your best and ensure you're rewarded for working hard
- Career Progression – Offering growth opportunities within the company through principle consultant or management avenues (Both offering a shares scheme to become a true partner)
- Social Events – Horse Racing, Sport Events, Regular Rewards, Christmas and Summer Parties
- Incredible Rewards – All-Inclusive Weekends away, Spa Days, Lunches, Nights Out
- Fully funded further learning
- Travel
- No restrictions geographically – We work with clients globally
